

## FINANCIAL SERVICES GUIDE

### THE PURPOSE OF THIS GUIDE

This Financial Services Guide (FSG) (effective as at 1st January 2019) is designed to assist you in deciding whether to use any of our services and contains important information about:

- The services we offer you
- Any potential conflicts of interest we may have
- Arrangements that are in place to compensate for losses
- How we and others are paid
- What to do in the event of a complaint.

### RESPONSIBILITY FOR SERVICES PROVIDED

We are an Authorised Representative (AR) of PSC Connect P/L (PSC), who hold an Australian Financial Services Licence (AFSL) 344648, ABN 23 141 574 914 and we are authorised by them to advise and deal in the full spectrum of general insurance products. PSC is responsible for the financial services provided to you, or through you to your family members, including the distribution of this FSG.

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may be contained in a Statement of Advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available other than from those insurers we deal with regularly.

### WHO DO WE ACT FOR

We usually act on your behalf and in your interests in all matters. Sometimes, it may be more appropriate for us to access insurance or manage claims where we act as an agent of the insurer. If and when this situation arises we will explain and highlight this to you.

### OUR SERVICES AND PRODUCTS

We offer a range of services to assist you to protect your assets and guard against unexpected liabilities including reviewing and advising on your insurance needs, identifying risk factors to avoid claims and seeking competitive premium quotations.

If we offer to arrange the issue of an insurance policy to you, we will also provide you with a Product Disclosure Statement (PDS) which will contain information about the particular policy to enable you to make an informed decision about purchasing that policy.

### RETAIL CLIENTS

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection from other clients. The Act defines Retail Clients as: Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people and that are purchasing the following types of insurance covers: Motor vehicle, home building, contents, personal and domestic property, sickness/accident, travel, consumer credit and other classes as prescribed by regulations. Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

Typically we only provide General Advice to our Retail Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a SOA, that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product.

### PERSONAL INFORMATION

We may maintain a record of your personal profile, including details of insurance policies that we arrange or issue for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

We will ensure the privacy and security of your personal information. PSC has a standard privacy policy which is available on request or our website [www.pscconnect.com.au](http://www.pscconnect.com.au).

### WHAT WE EXPECT FROM YOU

To enable us to provide the right advice we need you to provide us with complete information about the risk(s) that you face and those that you want to be insured for. You should also tell us about any relevant changes so we may review your insurance accordingly.

### COMPENSATION
